Can You Help?

Bar

We always need volunteers to assist in the bar. You will be taking drinks orders and delivering them to the tables. You will also assist in clearing tables prior to the start of the performance. If you would like some experience in this department please indicate the dates you are available on the enclosed form or contact Brian Stewart on 3775456.

Kitchen Help, Table Setters

We are always most grateful for the assistance of members to help with kitchen duties each evening or to set tables in the afternoon. Just two or three sessions at either time would be most appreciated and if you have a friend who would like to come with you they would be very welcome. It would be helpful if you could firstly complete and return the enclosed form and then we will follow up with a phone call to fine tune dates etc. We will require 6 people each evening for kitchen duties including hostesses at the buffet tables. For more information contact Ann Mutu on 3771951.

Promotion

We need your help with promoting this show. If you can find an eye-catching position for a poster, either in your work place, vehicle or somewhere you visit and know others are likely to read it – then please put the enclosed poster up. Ring Richard Hunt on 3727022 for more posters if you can use them. Do you have a group of workmates or friends who would love to come to the show for a fun night out! Don't miss out, get organised and book your tickets now!

Cinderella

The great traditional British Pantomime “Cinderella” has been chosen for this year’s traditional end of year show for its upbeat and funny script. Cinderella is the rag to riches story of downtrodden Cinderella and her horrible step sisters. It’s a hilarious romp through the fairy tale with whacky characters and upbeat music and songs. There’s the traditional gender reversal of roles in British Pantomime, as cross dressing male and female roles see the men dress up as the dames and the beautiful woman dress up as a handsome male. There’s even the front and back ends of a traditional panto horse! Then throw in traditional Cinderella characters, the prince’s servant Dandini and Cinderella’s friend Buttons. There is more audience participation than most shows, with the audience boo-ing the villain and shouting out, “He’s behind you” and “Oh No He’s Not, Oh Yes He Is” etc. Two of the main characters (see front picture) are the Ugly Sisters (identical twins!), played by Andrew Charnock (Beryl) and Jon Samio (Cheryl), and we promise they have a number of hilarious scenes and interaction with the audience. Craig Thomson, Musical Director, says, “We have some fantastic up beat numbers for the lead roles and also the chorus, including Queen’s “Somebody to Love” and Smashmouth’s “I’m a Believer” with a full gospel chorus. It will be great”!
